

Dear PURE water company partners,

John Nurminen Foundation is happy to welcome you in Finland on 9-10 February for training on Analytical Hierarchy Process: Decision-making between sludge handling alternatives. Training will be conducted by *Marina Graan, Senior Waste Water Expert, Pöyry Finland Oy* with a Russian-speaking facilitator. 1-2 participants from each PURE water company are expected to take part in the training.

Programme

Thursday 9.2.2012

17:30 Dinner

20-21:30 Sauna at the seashore

Friday 10.2.2012

9-15:30 AHP Training, lunch and coffee breaks included

The event takes place at Majvik meeting and convention hotel:

Accommodation

Preliminary room reservation has been made for the night between 9th-10th February. Please indicate in your registration what kind of room you need and if you would need a room for several nights. The participants shall cover the accommodation from their organisation's PURE budget (WP5, or in some cases, WP2). Price per person in a single room is 113 euros/night (incl. breakfast) and in a double room 93 euros/night.

Travel

You can reach Helsinki by ferry or airplane. Distance from the harbor and airport to Majvik is approximately 30 km. Let us know your arrival and departure times and if you need our help in organizing the transportation between Helsinki (Vantaa) and Majvik.

Other

Dinner and sauna as well as lunch and coffees during the seminar are offered by John Nurminen Foundation. There will not be any official programme in the evening of 10th February, but we will be happy to organize some common programme for those who are staying in Helsinki until February 11th.

Best regards,

Tuuli Ojala
On behalf of the John Nurminen Foundation PURE team
